NOTICE RE ANNUAL MEETING RESCHEDULED

The Lakemoor annual meeting needs to be rescheduled to a later date due to a conflict at McLane Elementary School. We reserved its cafeteria, only to later learn that basketball practice would be taking place at the adjoining gymnasium. Based on past experience, the noise would make it difficult to conduct business.

As a result, we announced that we would be moving the meeting to Jefferson Middle School without immediately realizing that under new state laws, we couldn't make the move without providing 14 days notice.

We will notify the community of the date and location of the rescheduled meeting as soon as we can reserve a location, but we anticipate it will be Dec. 1 or 2. We are verifying this, but it appears that voting for candidates must continue until the meeting takes place. Therefore, VIS will not announce election results Tuesday unless we hear differently on Monday.

We apologize for the delay, but we are all volunteers here and unanticipated difficulties occur.
